

Flex Bowl

The Flex Bowls are designed for high security use in segregation units, suicide watch cells, mental wards, and general population living areas in a correctional or mental health facility. The Flex bowl can be transported with insulated carriers or heated cabinets for delivery to remote sites, work camps, distant living areas and cellblocks. The Flex bowls are ideally matched with the Cook's brand Flex Trays and great for cook chill operations.

Flex Bowl

- **Enhanced Security**

Made from FDA approved silicone so that it cannot be sharpened into a weapon

- **Long Life**

Projected ten year lifespan

- **Easily Cleaned**

Silicone is naturally non-stick making it easy to clean and it is stain resistant and will not retain odors or flavors from food

- **Warewasher Safe**

Withstands harsh chemicals and high temperatures making it safe for warewashing and the flexible material does not become brittle over time

- **Withstands Extreme Temperature Range**

Withstands extreme temperatures from -40°F to 446°F and can be sanitized in any commercial dish machine

- **Flexible - Yet Strong**

Can be twisted and bent but will always return to original shape, will not crack, chip, or break

- **Microwave Safe**

Flex bowls can be placed in a microwave and will not melt or lose shape, and will stay cool to the touch

- **Approvals and Certifications**

NSF approved, FDA Approved, ANSI Standard #36 for direct food contact

- **Immediate Shipping**

In stock with same day shipping

- **Color Choices**

Brown

- **Package**

48 per case

- **Warranty**

2-Year Warranty against manufacturing defects

- **Model #'s**
