

Gator Tray

Gator Tray

Designed with input from correctional professionals, the Gator Tray offers exceptional durability, heat retention and functionality with the traditional four compartment layout and an innovative five compartment layout. One of the best features of this tray is that it's easy to stack because of the non-directional compartment layout adding speed and efficiency to your tray assembly process.

• Rugged Construction

One-piece construction means no seams to split or crack

• Exceptional Durability

Thick co-polymer skin with reinforced center bead and foam insulated interior add support and strength so that corners and sides are dent resistant

• Maximum Heat Retention

Specialized insulation injection process eliminates air pockets to provide superior heat retention

• Stain Resistant

Proprietary blend of co-polymer resists food stains for longer wearing appearance

• No Holes

Trays will not absorb water extending the useful life of the tray

• Reduced Spillage

Food compartments have raised lip reducing spills during transport

• Two Layout Options

Available in a four compartment or an innovative five compartment layout featuring a divider in one large compartment to separate bread food keeping the bread dry while also holding a 4 oz side portion

• Tight Seal when Stacked

Top and bottom surfaces nest securely so trays will be flat and stack up straight improving heat retention of meals

• Three Color Choices

Brown, Tan or Gray (five compartment only available in brown)

• Immediate Shipping

In stock with same day shipping

• Warranty

2-year "No Questions Asked" Full Replacement Warranty

• Model #'s

630-100B	Brown 4 compartment
