

## Gorilla Tray

## Gorilla Tray

Great for use in facilities with larger portions and diverse menus, this six compartment tray offers outstanding temperature retention. Made from a special blend of stain resistant co-polymer, the Gorilla Tray is designed to look great for a long time and with the durable one-piece construction, it will provide years of use in even the toughest correctional facilities.

### • Rugged Construction

One-piece construction means no seams to split or crack

### • Exceptional Durability

Thick co-polymer skin with reinforced center bead and foam insulated interior add support and strength so that corners and sides are dent resistant

### • Maximum Heat Retention

Specialized insulation injection process eliminates air pockets to provide superior heat retention

### • Stain Resistant

Proprietary blend of co-polymer resists food stains for longer wearing appearance

### • No Holes

Trays will not absorb water extending the useful life of the tray

### • Large Capacity

Six compartments to accommodate entrée, three sides, dessert (or side) and flatware

### • Optional Lid

Available with optional lid for stacking and transport

### • Two Color Choices

Brown or Brick Red

### • Immediate Shipping

In stock with same day shipping

### • Warranty

2-year “No Questions Asked” Full Replacement Warranty
