

Five Star Tray

Exclusive to Cook's, the Five Star Tray features five food compartments along with a flatware and condiment compartment making it the most practical tray for large meals in corrections. With its fresh design, this tray provides an improved presentation and has a well thought out compartment layout so that bread stays fresh and dry and a variety of menus can easily be accommodated.

Five Star Tray

• Rugged Construction

One-piece construction means no seams to split or crack

• Exceptional Durability

Thick co-polymer skin with reinforced center bead and foam insulated interior add support and strength so that corners and sides are dent resistant

• Maximum Heat Retention

Specialized insulation injection process eliminates air pockets to provide superior heat retention and trays are designed to have tight seal when stacked to minimize heat loss

• Stain Resistant

Proprietary blend of co-polymer resists food stains for longer wearing appearance

• No Holes

Trays will not absorb water extending the useful life of the tray

• Immediate Shipping

In stock with same day shipping

• Efficient Design

Each compartment is sized appropriately for a corrections portion including a compartment for entrée, vegetable, salad, bread and dessert (or additional side)

• Natural Feel

Innovative design is comfortable to carry with intuitive hand holds and smooth finish

• Easy-to-Clean

Compartments have gradual radius so food is easily removed, no hard-to-clean sharp corners

• Two Color Choices

Brown or Grey
