

Sentry Series Tumblers

Improve your food service security in even the toughest, most abusive environments with the Sentry Series line of trays, tumblers, mugs and spork. This innovative meal servingware is made of FDA approved pliable material that bends so it's not a worthwhile material for inmates to make into a weapon. The line is highly durable and long lasting, and the innovative material Poly-TPE-29 provides safety benefits that aren't available from Co-polymer or Polycarbonate servingware

Sentry Series Tumblers

• Innovative Material

New FDA approved Poly-TPE-29 pliable plastic bends rather than breaks and won't shatter or crack

• Durable Construction

Heavy duty design plus reinforced ribs on the inside ensure a long lasting, high quality tumbler

• Enhanced Security

Poly-TPE-29 bends so it is useless to inmates in fabricating weapons

• Exceptional Value

Enhance your food service security efforts with a minimal increase in investment over Co-polymer or Polycarbonate tumblers

• Easy to Clean

Poly-TPE-29 pliable material is naturally stain resistant and will not retain odors or flavors from food

• Warewasher Safe

Withstands harsh chemicals and high temperatures making it safe for warewashing machine and the pliable material does not become brittle over time

• Microwave Safe

The Sentry Series Tumbler can be placed in a microwave and will not melt or lose shape, and will stay cool to the touch
