

## Sentry Series 6 Compartment Tray

Improve your food service security in even the toughest, most abusive environments with the Sentry Series line of trays, tumblers, mugs and spork. This innovative meal servingware is made of FDA approved pliable material that bends so it's not a worthwhile material for inmates to make into a weapon. With a broad temperature safe range, trays can go from the warewasher to freezer to cooler to the inmate. The line is highly durable and long lasting, and the innovative material Poly-TPE-29 provides safety benefits that aren't available from Co-polymer or Polycarbonate servingware

### • Innovative Material

New FDA approved Poly-TPE-29 pliable plastic bends rather than breaks and won't shatter or crack

### • Durable Construction

Heavy weight design plus reinforced ribs on the underside ensure a long lasting, high quality

### • Enhanced Security

Poly-TPE-29 bends so it is useless to inmates in fabricating weapons

### • Increased Versatility

With a temperature safe range of -40°F to 248°F, these trays go from freezer or cooler to cart to inmate, providing more versatility that traditional compartment trays

### • Exceptional Value

Enhance your security efforts with a minimal increase in investment over Co-polymer or Polycarbonate trays

### • Compartment Design

Features 6 compartments to accommodate entree, bread, three sides and flatware

### • Easy to Clean

Poly-TPE-29 pliable material is naturally stain resistant, and will not retain odors or flavors from food

### • Warewasher Safe

Withstands harsh chemicals and high temperatures making it safe for sanitizing in your warewasher and the pliable material does not become brittle over time

### • Microwave Safe

The Sentry series trays can be placed in a microwave and will not melt or lose shape, and will stay cool to the touch
