

Flex Tray 321

Flex Tray 321

Cook's Flex Trays are designed for high security use in segregation units, suicide watch cells, mental wards, and general population living areas in a correctional or mental health facility. Cook's Flex Trays can be transported with insulated carriers or heated cabinets for delivery to remote sites, work camps, distant living areas and cellblocks. The trays are ideally matched with the Cook's Flex Tumbler for beverages.

• Enhanced Security

Made from FDA approved silicone so that it cannot be sharpened into a weapon

• Long Life

Projected ten year lifespan

• Easily Cleaned and Sanitized

Flex Trays have a non-stick surface and can be sanitized in any commercial dishwasher

• Withstands Extreme Temperature Range

Withstands extreme temperatures from -40°F to 446°F

• Several Meal Delivery Systems Uses

Ideal for Cook-Chill, Cook-Freeze, and Cook-Serve applications

• Cook's Flex Tray is Flexible - Yet Strong

Retains original shape; does not crack, chip, or break

• Tray is Easily Cleaned and Sanitized

Smooth tray material allows leftover food debris to be easily removed

• Carry Tray with One Hand

Economic design allows the inmate to carry a fully loaded tray with one hand

• Tray Colors

Tray colors available: BROWN and GREEN
Lid colors available: BROWN and CLEAR

• Optional Lids

Optional lids are available for stacking trays

• Approvals and Certifications

NSF approved, FDA Approved, ANSI Standard #36 for direct food contact
