

Extra Deep Six Compartment Tray

Extra Deep Six Compartment Tray

Durable, extra deep six compartment trays feature a tight fitting lid that covers and separates each compartment improving heat retention and reducing spills. Perfect for corrections, these lids are also clear, reducing the possibility of inmates tampering with food or hiding contraband in the trays. The special blend of co-polymer plastic used by Cook's is durable and stain resistant for years of service in your facility.

• Durable Construction

Heavy weight design plus reinforced ribs on the underside ensure a long lasting, high quality tray

• Long-Wearing Material

Specially blended copolymer is stain resistant to ensure years of use

• Improved Security

See-through tray lid protects food from outside contaminants and allows officer to see contents so that inmates cannot hide contraband in trays

• Improved Temperature Retention

Tight fitting lid separates cold and hot foods and keeps outside air separated from food, helping to maintain appropriate temperatures for longer time periods

• Great Value

Economical copolymer trays are long lasting ensuring years of service for outstanding value

• Extra Deep Design

Features 6 compartments that have an interior depth of 1", easily accommodating larger entrees, bread slices, three sides and flatware

• Tray Lid

Translucent tray lid protects food from outside contaminants

• Immediate Shipping

In stock with same day shipping

• Color Choices
