

Reinforced Kettle Whips

This is the strongest kettle whip available. With heavy duty whip wires and a reinforcing center plate, you won't break or bend this whip. Heavy-gauge stainless steel, all welded construction, innovative design features and the best warranty in the market make Cook's Kettle Tools a great choice for use in your facility. Available in heavy duty or extra heavy duty weights.

• Two Weights

11 gauge handle on Extra Heavy Duty
16 gauge handle on Heavy Duty

• Best Warranty in the Industry

2 Year Warranty on Extra Heavy Duty
1 Year Warranty on Heavy Duty

• Superior Durability

Long lasting all-welded 304 stainless steel construction, unique whip head design has heavy duty $\frac{3}{16}$ " diameter wires connection to reinforcing center plate to ensure secure construction

• Easy to Store

The handle of each kettle tool has a heavy duty, built in eyelet that won't break so it's easy to hang the tool out of the way for more sanitary storage

• Innovative Handle Feature

Measuring of ingredients is simplified by using the markings, placed at 1" intervals, permanently etched on the handle

• Whip Head Dimensions

Whip head is contoured to fit inside kettle shells to extend kettle life
14"L x 8 $\frac{1}{2}$ "W Whip Head

• Kettle Tool Bracket

Store your paddles and other tools out of the way and off the floor with the exclusive Cook's Kettle Tool Bracket, in single or double sizes
