Elegant wood furniture and classic old world craftsmanship that exceed any operations expectations!

TM

If you're looking for the one of a kind, "signature" mobile bar to personalize your operation, look no further! FWE's years of innovative design experience have culminated in the ultimate statement in beverage dispensing.

Fashioned in traditional wood with old world craftsmanship, our Executive Series Birch Bar features classic raised wood panels, hand finished in a durable natural polymer coating. Combined with our superior base frame, heavy duty poly casters, and interior stainless steel construction, these individually crafted bars blend elegant form with efficient function, lending an air of distinction to any operation.

For the ultimate in performance, profitability and elegance, FWE's Executive Series bars are clearly the "Choice of the Professionals".

- ◇ Genuine solid Birch decorative exteriors
- ◇ Heliarc welded, heavy-duty construction
- ◇ Heavy gauge square steel tubing base frame
- ◇ 10-gauge stainless steel corner plate reinforcements
- ◇ Stainless steel interior, bonded to walls with overlapping seams
- ◇ Stainless steel work surface and splash area with coved corners
- ◇ Raised marine nosing on front edge
- ◇ Rugged polyurethane tire casters
- ◇ Stainless steel ice sink with shut-off drain valve
- ◇ Removable bottle speed rack
- ◇ Handy underbar server with 4 bowls
- ◇ Towel ring
- ◇ Large storage areas
- ◇ Two year limited warranty

BACK-UP SPECIFICATIONS:

"EXECUTIVE SERIES" COMPANION PIECES			
MATCHING BACK BAR	LENGTH	WORKING AREA HEIGHT	OVERALL HEIGHT
ES-PSC-6-BW	73" (1854)	39.75" (1010)	78.5" (1994)
		MATCHING ICE CART 200 lb. capacity ES-IC-200-BW Height: 33.5" (851) Deep: 24.5" (622) Width: 24.5" (622)	
		Holds 200 lbs. of ice! Fully insulated. Flip-top stainless lid. Drain, push bar handle, and all swivel 5" casters. Welded steel frame.	

EXTERIOR. Classic raised panel style hand wrought exterior in Birch wood and a natural finish. Durable solid serving surface. All wood surfaces finished with polymer coating to deter scratching and gouging. Constructed with reinforced joints for additional strength and durability. Solid hardwood: Birch; Finish: Natural.

INTERIOR (WORKING SIDE). Heliarc welded single unit construction shall consist of welded base worktop frame of 1" square steel tubing. Base frame shall have additional 10-gauge stainless steel corner plate reinforcements. Full length heavy gauge stainless steel angles reinforce front corners of body on inside, with high impact edging on outside corners. Work surface shall be constructed of 20-gauge stainless steel. Interior of body shall be lined with 24-gauge stainless steel bonded to walls and bottom storage area. Seams shall overlap for greater durability and moisture resistance. Work and splash areas shall be polished stainless steel with easy-to-clean coved corners. Front edge of work area shall have raised marine nosing to retard spills.

CASTERS. Maintenance free polyurethane tire casters in a configuration of two (2) rigid and two (2) swivel with brake. Casters shall have a reinforced yoke mounted to 10-gauge caster plate. The caster mounting plate shall be secured to a 10-gauge stainless steel reinforcing stress plate via welded in place stainless steel studs. The reinforcing stress plates shall be welded to the heavy gauge tubular frame of the unit. Eight (8) foot models are equipped with six (6) casters: four (4) rigid casters and two (2) swivel with brake.

STORAGE AREA. On six (6) foot models, the glass storage area shall include removable and adjustable stainless steel shelf. On all models, the bottom storage area shall be stainless steel lined.

ICE SINK. Sink shall be one-piece stainless steel with coved corners: 19.75" x 12.75" x 10.5" deep. Sink shall have enclosed foam insulation with drain. Sink shall have a capacity of 60 lbs. of ice, and be provided with a stainless steel sliding cover.

BAR ACCESSORIES. Standard equipment shall include 5" deep, heavy gauge stainless steel bottle speed rack extending 3.5" beyond depth dimension of 31.5"; removable without tools. Underbar server shall have four (4) removable condiment holders. Towel ring shall be provided under top work surface.

Optional Accessories:

- Locking bottle speed rack
- Extra stainless steel shelves
- Locking doors for shelf area
- Stainless steel bar gutters
- Protective storage cover
- Floor locks (set of 2)
- All swivel casters
- All swivel with brake casters

BAR COMPANION PIECES:

MATCHING BACK BAR WITH MIRRORED CANOPY. Super back-up! Stores extra liquor, glasses and bar accessories. Convenient work / serve top in choice of laminate. Recessed can lights above handsome Mirrored Canopy. Interior shelves adjustable on 1.5" spacings. Welded steel frame assures years of profitable use. Large 5" casters with brakes allows easy mobility.

MATCHING ICE STORAGE CART. Holds 200 lbs. of ice! Fully insulated. Flip-top stainless lid. Drain, push bar handle, and all swivel 5" casters. Welded steel frame. 33.5" (H) x 24.5" (D) x 24.5" (W).
