Description

STEAMON DEAMON

The Steamin' Demon is the first really improved Hot Dog steamer to come along in quite a while! Yes, rotisseries will sell more hot dogs, but if budget indicates a steamer, the Steamin' Demon is the most durable steamer you can buy. Stainless steel cabinet with stainless steel lids – no painted parts to rust – this means your Steamin' Demon will be good as new many years from now. The Steamin' Demon is equipped with a hot dog juice tray and an adjustable thermostat. Always use the juice tray – otherwise the meat juices will create bad aromas in the steaming compartment, as well as eventually destroy the heat element prematurely.
