THE AVJ42KBDL FEATURES DROP LEAF SIDE SHELVES THAT ADD 22" OF WORKSPACE TO THE TOP SHELF.

Steel Service Department Carts

# Automatic

## QUALITY CARTS FOR YOUR

### SERVICE DEPARTMENT

Save time by keeping tools organized and accessible. The high density polyethylene material used to manufacture the plastic carts will not be affected by acids, solvents and petroleum products. They will never scratch, rust, dent or discolor.

### BODY SHOP

Custom carts and seats create an efficient and ergonomic working environment. Plastic shelves and rounded corners will not mar cars finish, they are also oil and stain resistant.

### WASH/DETAIL AREA

Heat and corrosion will never be a concern with Luxor plastic carts. They will not be damaged by water, cleaning solvents or cleaning equipment.
