Cushioning.

#### Blue Cushim

#### Black Cushim

Included in the box.

## Fitting Process

With our adjustable, fitting system you can size up or down by 1/2 size. Here's how:

- **Too big:** Insert the black Shim under the Gel Insole to size down.
- **Too small:** Remove blue cushion under the Gel Insole to size up.
- **Customize fit:** adjust a full pair or the left and right foot individually
