## Oreck's XL Restaurateur Vacuum Cleans Up Big, Allowing You To Run Your Restaurant Without Worrying About Your Floors

RAPID

### Die-Hard Vacuum Equipped with Rapid Replacement Program So You Always Have a Vacuum, 24/7!

**O**verworked, abused by the waitstaff and others, caked with grease, and likely to quit any day now. (And we're not even talking about the sous chef!)

No, it's your vacuum cleaner, a silent ally in the successful day-to-day operation of your restaurant. The critics don't mention it in their reviews, but without it, you can bet the crowds won't be lining up at your door. Yet, although it's one of your most important "employees", your vacuum cleaner is one thing you really shouldn't have to think about when it comes to running your business. Thanks to the 8 lb. Oreck XL<sup>®</sup> Restaurateur vacuum and its fixed cost *Rapid Replacement*<sup>™</sup> program, now you won't have to.

From the minute you buy your Oreck XL vacuum, you are backed by the company's service and support and their remarkable *Rapid Replacement*<sup>™</sup>. With this program, just contact the Oreck Commercial Sales Technical Support Desk, and simple repairs can be talked through—right over the phone or, you can take the vacuum to a nearby Oreck store for immediate service. In the event the technician is unable to help you solve the problem, Oreck will send you a replacement XL immediately. Worst-case scenario, you'll have your vacuum within 72 hours. When it arrives, just put the old vacuum in the box and ship it back to Oreck. (They'll even pay the return shipping!) Everything is covered, including damage from clogs, broken parts, cords and roller brushes, even operator abuse—all at no additional cost!

## RAPID REPLACEMENT

— A FIXED COST SOLUTION

### You Can't Afford a Soiled Reputation.

You know what your restaurant's environment can do to a vacuum cleaner: grease, oil, and food settle into carpets and onto floors and are eventually sucked into vacuum motors, intake manifolds, tubes, and bags. Likewise, water can also find its way into motors, impellers, and bags. The result? Vacuum downtime—two words your business never wants to hear.

In fact, Oreck has done their homework and has determined that the average restaurant purchases or repairs a vacuum every three months.

Restaurant professionals know that keeping overhead down is critical to staying profitable, yet many do not realize that their vacuum system is not just sucking up dirt and debris—it's also eating up profits due to constant repairs and new purchases. Now you can put an end to seeing your vacuum cleaner on the disabled list by investing in a super-strong, professional-grade Oreck XL Restaurateur vacuum.

With its pile-lifting roller brushes, the 8 lb. Oreck XL Restaurateur vacuum will give your carpets a professional, groomed look. Your employees will love it as it glides from room to room, under and around tables and chairs, switching from thick carpet to bare floors without any manual adjustments. The XL Restaurateur vacuum also features the Oreck MicroSweep™ system which easily picks up flour and salt off bare floors.

Not only will it make your employees happy, but the Oreck XL Restaurateur will also lessen their chance of injury. Because of its strain-free, innovative, ergonomically-designed Helping Hand® Handle, the Oreck XL Restaurateur has received the Arthritis Foundation's Ease-Of-Use Commendation. And the accolades don't stop there. The Oreck XL Restaurateur has also received the Carpet and Rug Institute Seal of Approval.

See for yourself, by giving the Oreck XL Restaurateur vacuum a risk-free, 30-day trial. At the one fixed yearly cost of less than \$1 a day including maintenance, bags and parts, you can purchase one of these state-of-the-art vacuums. You can't afford a soiled reputation. This fixed cost solution eliminates that possibility.

Everything is covered,  
including damage from  
clogs, broken parts, cords  
and roller brushes,  
even operator abuse—  
All at no additional cost!

Once your employees give it a try, they'll find that the Oreck XL Restaurateur vacuum is superior to anything they may have used before. And you'll be happy knowing that you'll never experience vacuum downtime again thanks to Oreck's Rapid Replacement™ fixed cost program. It's a win-win situation and one that makes for an efficient and tidy restaurant.

## Commercial 8 Pound Upright Vacuum

- 8 pound lightweight vacuum with 12" sweeping path
- Uniquely designed dirt-flow path in handle dramatically reduces risk of clogging
- Oreck vacuums are used daily in thousands of hotels, motels and foodservice facilities
- Oreck's exclusive Helping-Hand handle eliminates squeezing of the hand, bending and twisting of the wrist. Convenient power switch in handle.
- Revolutionary automatic, easy-on disposable bag attachment dock. Oreck's patented self-closing Saniseal trapping system keeps dirt in the bag.
- Hypo-allergenic, top-fill design traps particles as small as 1/100th as human hair width. virtually no after-dust.
- Exclusive MicroSweep automatically adjusts from thick carpets to bare floors
- Powerful, high-speed, balanced, double-helix brush whirls at 6,500 rpm - almost twice as fast as other machines
- Dual edge side brush allows easy edge cleaning along baseboards and molding
- 35 foot power cord for greater cleaning range. Guard in vacuuming head protects cord against damage.
- Order kit of 25 disposable bags (PK8000.25) and kit of 3 drive belts (030.0604)
- 1 Year Express Warranty Program guarantees working tools. Replacement equipment will be delivered within 72 hours if equipment problems cannot be diagnosed and corrected over the phone.

### ORECK'S EXCLUSIVE HELPING HAND<sup>®</sup> HANDLE

Virtually eliminates squeezing of the hand, bending and twisting of the wrist. It also has received the Ease-of-Use Commendation from the Arthritis Foundation<sup>®</sup>.

## COMMERCIAL HALO

When the light is on, germs are gone.

The only vacuum in the world that can kill many germs, viruses, bacteria and dust mite eggs with UV-C light.

### Kills

Viruses

Dust Mite Eggs

Flea Eggs

Bacteria

Mold

- Tests have shown that floors can have more germs per square inch than toilet seats! These potential health threats include E. coli, MRSA, rhinovirus and dust mites that are a leading trigger of allergy and asthma symptoms in children.
- The Oreck Halo is the only vacuum with patented ultraviolet C (UV-C) light technology that can kill many of these germs, dust mite eggs, mold and flea eggs.
- Oreck Halo uses the same revolutionary UV-C light that has been used for decades to purify drinking water...and can kill many of these potential health threats without chemicals.
- The patented Oreck Halo Light Chamber concentrates the power of the light down on to your carpets and floors and kills many of the exposed germs.
- Oreck Halo has been tested and shown to kill more than 99.9% of certain common germs and more than 90% of dust mite eggs.
- Oreck Halo features a unique HEPA 13 filter bag for maximum air filtration and air quality.
- Oreck Halo features on-board attachments for easy cleaning of draperies and upholstery.

#### Specifications

Designed to clean large areas quickly and efficiently.  
Engineered for long service life under rugged conditions.

Powered by strong 10 amp motor.

(2,000 hour motor brush life)

Saves you up to 80% of your time compared to using  
conventional upright on the same job.

- Efficient grooming chevron brush
- Air velocity enhancer edge cleaning
- Floating brush barrier
- Balanced extruded brush roller
- Rugged 360° front swivel wheels for short turning radius
- 5 position height adjustment
- Fold-down-handle
- Quick release filter mounting strap
- Dust retentive felt, heavy duty outer filter
- welded steel frame in structural foam housing
- Industrial quality universal motor with cast metal fan
- Protective wrap-around bumper guards
- Top-fill system eliminates clogging at intake – assures maximum pickup performance
- Multiple sizes 24" & 28"

Top-fill system  
eliminates clogging at  
intake – assures  
maximum pickup  
performance

## It's never been so easy to get Oreck Clean.

The New Oreck Steam-It uses pressurized, "dry" steam to naturally disinfect and melt away dirt & grime. Unlike many conventional steam mops, the Oreck Steam-It has a unique, pressurized vapor chamber making it easy to clean above the floor without spilling. It's the easy, eco-friendly way to clean without the use of toxic chemicals or detergents.

- Pressurized super-dry steam heats in under 30 seconds. And dry steam means no damp mess!
- Works upside-down without spillage for above the floor cleaning.
- Lightweight with fingertip controls and 16-ft. cord make it incredibly easy to use.
- Deep cleans without chemicals- It attacks many germs and bacteria, using ordinary tap water.
- Can be used on most flooring surfaces including marble, ceramic, stone, vinyl, laminate, linoleum and sealed hardwood floors.
- Reusable, machine washable microfiber pads means there are no expensive replacement pads to buy.
- 1-year warranty.

Stems windows spot-free. Also removes wrinkles while cleaning drapery.

Cleans furniture or auto upholstery targeting tough stains.

Cleans kitchen and bath fixtures, tile and grout or carpet stains with included deflector nozzle or utility cloths.

Removes dirt and rejuvenates flattened carpet pile.

Perfect all hard floor surfaces: hardwood, tile, stone, linoleum, vinyl and more.

Freshens bed pillows, linens, and mattresses and can kill many germs, mites, allergens, and bacteria.

## HEALTHIER:

- Six-stage filtration featuring Truman Cell™ proprietary technology captures and destroys allergens, bacteria, viruses, molds, fungi and other particles down to 0.1 microns.
- New Oxygenator stage converts atmospheric ozone into pure oxygen.
- Reduces Volatile Organic Compounds (VOCs), including chemical fumes from glues, solvents and synthetic materials with optional Odor Absorber Plus.
- Removes pet and cooking odors for true clean-air living.

## EASIER:

- Permanent filter cleans easily with soap and water.
- State-of-the-art easy touch control panel.
- Turn on and leave on for continuous cleaning.

## SMARTER:

- Quieter operation with Silence Technology®.
- Permanent filter does not clog, never needs replacing.
- Check Collector Cell light illuminates once it needs cleaning.
- Added features include nightlight and fragrance cartridge.

## Air Tower

## Air 8.5

**Stage 1: Pre-Filter** catches large particles such as hair and lint as the fan draws air into the unit.

**Stage 2 & 3: Truman Cell** captures and destroys bacteria, molds, viruses & fungi by electrostatically charging (Stage 2) and collecting particles (Stage 3).

**Stage 4: Odor Absorber Plus** removes odors and reduces Volatile Organic Compounds (optional).

**Stage 5:** Oxygenator converts ozone to oxygen.

**Stage 6:** Air Revitalizer emits negative ions to help freshen air (can be turned off).

## PRO SHIELD & PRO SHIELD PLUS

**Pulls germs, odors & allergens out of the air like a magnet!**

The ProShield & ProShield Plus Air Purifier is the smart, simple and energy efficient way to clean the air in your home and help protect your family. Powerful and portable with the ability to lay flat or on its side, it can be easily moved from room to room, where kids and animals play, where smokers gather, or where mold and other allergens are a concern.

### ProShield Specification

- Cleans and re-circulates the air in a 12' x 18' room twice every hour.
- Captures allergens, viruses, bacteria, mold, and germs.
- The Truman Cell™ permanent filter never needs to be replaced. Simply rinse clean, let dry, and re-insert.
- The Odor Absorber eliminates odors and VOCs. Simply replace it annually.
- Energy efficient uses about the same electricity as an ordinary light bulb.
- Three speed settings, including "Silence"
- Compact and portable; moves easily from room to room.
- Dimensions 10.5" x 4.5" x 18"
- **New!** Now lays flat horizontally or on its side vertically; fits in tight spaces.
- 3 year warranty.

### ProShield Plus Specification

- Cleans and re-circulates the air in a 12' x 18' room twice every hour.
- Captures allergens, viruses, bacteria, mold, and germs.
- The Truman Cell™ permanent filter never needs to be replaced. Simply rinse clean, let dry, and re-insert.
- Energy efficient uses about the same electricity as an ordinary light bulb.
- Three speed settings, including "Silence"
- Compact and portable; moves easily from room to room.
- Dimensions 10.5" x 4.5" x 18"
- **New!** Permanent **Helios Shield™** uses ultraviolet light (UV-A) to eliminate odors and VOCs.
- **New!** Remote control lets you regulate the unit from across the room.
- **New!** Now lays flat horizontally or on its side vertically; fits in tight spaces.
- 3 year warranty.

## Commercial grade! Multi-purpose floor machine.

- Dry cleans carpet and removes allergens
- Buffs and sands hard wood floors
- Scrubs and cleans ceramic tile and grout
- Scrubs and cleans concrete and removes oil
- Removes dirt & grime from grout lines in quarry tiles
- Polish and strips vinyl
- Scrubs and cleans brick
- Scrubs and cleans slate
- Cleans, polish and protects marble
- Replaces labor intensive deck brush

**Easy to use finger control. Extremely versatile and effective for all flooring surfaces.**
