shat-r-shield®

\*SHAT-R-SHIELD heat lamps are available in both clear and red. The protective coating provides assurance that glass cannot come in contact with food in warming stations, buffets or food preparation areas. The coating is rated to withstand temperatures of up to 500°F. The PFA coating protects the glass from thermal shock such as contact with water or grease.

## WINCO SOUP MERCHANDISERS

The Winco Soup Merchandiser is the perfect solution for salad bars and sandwich shops. With an attractive artwork display that is both functional and inviting, it includes soup insets, covers, adaptor plates and ladles. Units are available in two 7 quart insets or three 4 quart insets.
