## WIRE GONDOLA SHELVING

Metro's distinctive styling highlights merchandise so customers notice. Easy no-tool installation allows you to enhance your display by simply adding a Metro gondola shelf. Low profile brackets are designed to maximize available retail space. The shelving is compatible with two major gondola manufacturer's systems (Lozier and Madix). Shelves are available in 36" (914mm) and 48" (1219mm) lengths, 18" (457mm) and 21" (533mm) depths. Shelf is load rated for 300 lbs. (136.5kg) Super Erecta Brite™ finish. Shipped two per carton.

### Features

• Distinctive styling

• Low profile brackets

• Welded brackets

• Open wire design

• No tool installation

### Benefits

• Highlights merchandise so customers notice

• Maximize retail space

• No assembly required

• Allows light penetration through shelves. Minimizes dust collection.

• Installs in seconds
